Treasurer's Report, Chris Pickering

This report should have been published 2 editions ago, but after starting it several times I kept backing off for fear of upsetting or insulting some one. However time dictates that the longer you put things off the worse things will get.

Since taking over as treasurer and having meetings with our Accountant it has been noted that all is not well and measures need to be taken to correct this, getting our existing and new members to start using the Branch would be a good start.

This branch has a membership of 700+ that is made up of Veterans and Seniors, the middle aged and the younger generation, well HELLO where are you. If the absent 600 turned up and introduced yourselves I wouldn't know who you were.

This branch is being kept afloat by a group of loyal members who regularly turn out to support the branch through seniors activities, sports events, entertainment, those that just want to stop in for a couple of cold ones and of course enjoy the wonderful food.

Unfortunately even with the revenue from the food sales, sports events, 50/50 draws and meat draws backing up the bar sales its still not good enough.

No we are not on a major spiral into extinction, more like a slow and gentle slide, but unless our existing and new members start turning up one day the inevitable will happen. It makes me so angry and upset to see

a bright, friendly and vibrant branch such as ours not being fully utilized by the whole membership. What is it that you want that will bring you to use the branch, tell us, give us your ideas, get involved and join in we need your input.

As for the newer members it just seems that after you were initiated into the branch you just disappear and we don't see you again until its time to pay your dues.

Do you just join our branch to get access to other service clubs, if that's the reason then please tell us what their attraction is so that we can incorporate it into our activities. If you liked the branch so much that you wanted to join then please come in and support us, its your club now, the revenues you spend will help us provide new entertainment and activities and keep us functioning.

So come on Comrades, support your branch, join the Poppy Campaign, Colour Party, come in and croak out a few on karaoke night and enjoy the good food, play shuffle board, cards, darts, pool, washoo, or just relax with a couple of cold ones and the newspaper, but at least come in.

Your Executive and the many wonderful volunteers freely give of their time to provide entertainment and to promote activities, show them your support.

**SEE YOU THERE
COMRADES!!!!!!!!!!**

GET YOUR DUGOUT IN THE MAIL?

The cost of folding and stuffing envelopes plus the postage for the Dugout is a significant part of our annual expenses.

See page 8 if you can personally help us reduce this ongoing cost.

A Word From The First Vice-President, Jim Meyer

Hope you all had an enjoyable Thanksgiving. I know the term certainly took on a whole new meaning for me this year. My sincere thanks for all the visits, cards, and prayers – they helped me through a few scary moments, let me tell you.

Now we are into November, and the Legion's most important event – the annual Poppy Campaign. Just think what could be accomplished if every able-bodied member donated just a few hours of their time; we could probably build a Veterans' Hospital right here in Kitchener! I exaggerate, but the point is that many hands make light work. Please contact Comrade President Michael - I know he'll find something for you to do

toward the cause.

Letters will be going out to the High Schools in our area regarding the Legion Bursary programme, as I suspect there are still some guidance counsellors unaware of this opportunity.

The Executive Committee lucks out again, as I have decided to postpone my TOD seminar until my recovery is complete. But I will get you, sooner or later.

Lastly, from our home to yours, may you have a Merry and Blessed Christmas, and nothing but the best in the New Year.

A Word From The Second Vice-President, Gerry Capling

While standing in for comrade 1st vice, Jim, while he's on the mend, I attended several Legion functions. The need for volunteering by members was one of the several points brought out at the District convention held in Hespeler, the weekend of Oct., 17th. A good weekend was had by all. Five branch members attended.

-Please volunteer your help in the Poppy Drive, wherever possible, and enjoy the camaraderie, and fellowship, in the time leading up to November 11th., and the 'Remembrance' of that day. Visit the other branches and service clubs, with the safety of public transit, and give a friendly hello to any vets you meet, on the way..

-Veterans' Council meeting, Monday, Oct. 5th..bus tickets are on sale for Nov. 11th. @ \$3 each..

-Poppy Meeting, Wednesday, Oct. 7th.. FOCSIA. [Families of Canadian Soldiers in Afghanistan], spokesman, spoke on the candlelight Vigil at the Waterloo cenotaph, Friday Oct. 30th, a joint effort to help kick off the Poppy Campaign. M&M will be serving a BBQ at 17:30 hr., with a service to follow.

This is to follow the Poppy kickoff at the Poppy House, where dignitaries will receive the first poppies of the campaign. The Lapel Poppy Sticker, is being introduced this year for young children. Other points are in the posted agenda.

-Security issues are being attended to. The entrance door is to be closed, at all times, no exceptions. Keys may be purchased, at the bar.

Veterans will get their Haircut Free at Gemini Hairstyling

All Veterans get their Haircut Free Nov 2nd to 11th, 2009.

Great web site, love the music, it adds to the aura of what we are watching.

As a Canadian who served in Viet Nam I have all the respect in the world for our troops and appreciate what this site does in homage to them. I am forwarding it to my American friends that I served with to let them know they are not alone in their fight against terrorism.

Thanks for this tribute to our fighting men and women.

Branch 50 had four teams compete in the Zone Cribbage tournament, which was held on Saturday, October 10, 2009 at Branch 121 Galt. Two of the teams were successful in advancing to the District tournament. It will be held January 9, 2010 at Branch 412 Kitchener Polish.

The teams are:

Team 1- Peter Gardiner, Bob Robbins, Herb Hanna and Jim McKinnon.

Team 2- Art Bieman, Dan Larocque, Ken Lapsley and Al Hohner

On Saturday, October 17th, the ladies of Branch 50 had a pool tournament against the Preston ladies. It was a fun day for everyone involved. Congratulations to Darlene Davidson and Raymonde Hachey for winning this tournament.

Saturday, October 24th was a busy day at the branch with over 40 members of the Hamilton branch coming in at 10:00 a.m. for an 8-ball tournament. This required us to rent a third pool table to accommodate the 30 teams that were competing. Even though Branch 50 was outnumbered in the number of teams, we still managed to win 3 of the top 8 positions.

This was a very profitable day for the branch with the tournament contributing \$100.00 from a 50/50 draw and \$0.25 for sewer shots. The bar had an excellent day thanks to our thirsty guests.

Thanks to Jerry Prince for the BBQ sausages and Marguerite McNeelands and her team for the excellent lunch.

Membership, Marguerite McNeelands

Our membership is increasing every month. It is great to have members return to our Branch who have not attended for awhile.

Remember, our Early Bird runs until the end of November. If you renew

your membership early you have a chance of winning a free membership for 2011. You can renew your membership at the bar.

Kitchen News, Marguerite McNeelands

September Sales \$2,492.00
Spent \$1,147.00
Profit \$1,345.00

Thank you to our Members for supporting the kitchen. Special Thanks to Norma Ash for her wonderful desserts & Gwenn Kirton for her support. It is our pleasure to provide you with

food. We will continue to do so with entertainment and special events. Other activities include our Seniors, Cadets, Lunches, & Sandwiches

Tuesday Night BBQ & Karaoke are doing very well. We have many members attending and we are making money for our Branch.

Sick & Visiting, Sandy Glover

On Oct. 2/09 I visited Jim Myers at St. Marys. He is doing very well. I was away visiting family over the Thanksgiving Holiday, and have

been down with the flu this past week. My apologies if I missed anyone.

Seniors, Jean Davidson

Our next Seniors' meeting is our bus trip Nov. 8th to Niagara Falls. Bus leaves at noon.

We will be having a raffle for Christmas baskets & other items. These tickets will go on sale shortly after Nov. 11th.

Please bring any donations in after

Nov. 11th. Our Christmas meeting is Dec.13th at which time we will draw for the baskets and have our Christmas Dinner which is free to those who have attended 5 meetings in the last year and will be \$6.00 for those who have not.

There will be no Euchre on Dec.24th or 31st.

Remembrance Day Committee, Ed & Belva Gorniak

Remembrance Day is just around the corner and we have been gearing up for it. The organization has been taken care of, with a few minor details to clear up.

The Silver Cross Mother, Mrs. Joan Ruckpaul, will be joining us this year. her son Major. Raymond Ruckpaul, paid the supreme sacrifice in Afghanistan in 2007.

We are once again, carrying crosses, one for every soldier who gave their life in Afghanistan and are asking for any person who would like to dress in red and carry one of these crosses to join us. We are looking for 131 people for this. We are still short, about 40 people.

For the veterans who are ambulatory, but unable to march in the parade, we have set up an antique Fire truck, to carry up to 10 people. The golf cart and train, are not available this year. Please meet at RCL - Brach 50 at 9:30 am, if you wish to

ride in the Fire truck. It will take you to and from the Parade and Ceremony. Blankets will be provided, so that all will be warm enough.

Jeff Allan, from Newstalk 570 will be joining us, once again as the "Master of Ceremonies". We are pleased to have him.

We want to thank all of the committee members, for working with us again, this year in the organization of this, our largest Ceremony and parade, of the year. Thank you goes out to Mike Fenton, Chris Pickering, Dave Davidson, Jim Fraser, Alf Ash, Marguerite McNellands, Norma Ash, Trevor German, 2nd Lt. Claude Bolduc, Capt. Ben Cruickshank, Tim Cartmell, Chris Mayhew and Gerry Devost, for all their help. We couldn't do this, without each of you working for the same goal.

Thank you to all of the veterans and members, who join us in attendance.

It has been a busy fall for the Colour Party, as usual. At times, we have had more invitations, than there is time to attend. The colour party seems to be growing on a fairly steady basis and we are trying to get more equipment, to keep up with this growth.

We have attended the 100 year Anniversary of Aviation, Battle of Britain Parade, Honours & Awards Ceremony, Tri County Warriors Day Parade, Firefighters Memorial Parade,

Oktoberfest Parade and the Six Nations Remembrance Day Parade and Ceremony, as well as all of the members meetings.

I would like to thank the colour Party for their participation in each of these events. You don't always get recognized for your efforts and service, but you do a great job and I'm proud of you. Remember, you are "The Face of the Legion".

Past President's Report, David Davidson

Normally in the past, the Past President has not submitted an article for the DUGOUT, however as Memorabilia Chairman, a newly created position within the new executive I will give a small report on memorabilia.

If you have any, memorabilia and or medals of departed Veterans that you wise to donate to the Branch, I would ask that you place them in a sealed envelope with the name, telephone number and address of the donor on it so that I can give credit to the person who made the donation. This is particularly importance in the case of WW II medals which do not have a name on them to indicate

who they were issued to.

We are short on wall space so it is difficult to display some items and it is the plan that we will keep some of the donated memorabilia items in storage and change them from time to time.

Far too often memorabilia items go in the garbage and medals end up on E-Bay or some other place to be sold after the Veteran has passed away. A donation to a military Museum or a Branch of the Royal Canadian Legion is one way that the memory of Veterans can be passed from one Generation to the other.

NEED A BOOST

We now have a Battery Power Unit available for your car if it needs a boost, ask the Bar Person for this unit, it is available to all Branch #50 members.

Please return it to the Branch immediately after you use it, this unit has been donated by a member.

Alf Ash

Editors Note, Alf Ash

We must reduce the mailing cost of the Dugout. Members who can have it sent by email or who can pick it up, or just plain don't want it, please call the office, go on line to change your preference, or print your name on the tear off section at the bottom of this page and mail it to the branch or hand it in to the bar.

I attended the Firefighters Parade on Saturday Oct 10th and the Oktoberfest Parade on Monday Oct 12th 2009, and the Six Nations Veterans on Sunday Oct 18th,2009. These pictures have been added to the Website.

We have a very busy schedule for October and November; the Calendar is up to date with all the events that I know of at this time.

I have Rogers TV on board for the November 11th ,2009 Remembrance

Day Parade, and have a meeting this week sometime to discuss details with the Producer at Rogers TV.

Please volunteer if you have some time available, we can always use you for some of the many jobs that are required to be handled at the Branch.

We have for sale at Special Prices, shirts various types, and hats. Come in soon to Branch #50 and buy what you need, before they are all snapped up.

A very big thank to Trevor German for looking after our Branch #50 Website and for taking care of the Dugout in Jim's absence. He always does a fantastic. I wish Jim all the best and I hope he has a speedy recovery.
